## Ben Smith

[bsmith@mines.edu](mailto:bsmith@mines.edu)

### School Address

36 S. Holman Way 2E  
Golden, CO 80401  
(505) 491-9167

### Permanent Address

HC 69 Box 120  
Mescalero, NM 88340  
(505) 464-5283

### OBJECTIVE

A summer internship in a professional company or research firm which will utilize engineering and technical skills.

### EDUCATION

#### Colorado School of Mines

Golden, Colorado

Sophomore majoring in Engineering - Electrical Specialty

Expected graduation date: May 2006

- GPA 2.7
- American Indian Science and Engineering Society Treasurer 2003-2004
- Society of Hispanic Professional Engineers member 2003

#### Eastern New Mexico University

Ruidoso, New Mexico

Studied Cisco Networking

#### Ruidoso High School

Ruidoso, New Mexico

Graduated May 2002 top 10 percent

GPA 3.9/4.0

Awards/Scholarships:

Gates Millennium Scholar

Cross Country Most Valuable

### ENGINEERING SKILLS

- Experienced with MS Word, WordPerfect, Excel, Mathematica, AutoCAD
- Currently learning C++ programming
- Participated in a five-member team on an EPICS project. Worked and studied seismometers to measure earthquakes. Analyzed subsystems of seismometer to build final product. My role as part of the team was researching seismometers. The team presented the final project, seismometer, to the client with an analytical report and oral presentation.

### EMPLOYMENT

Summer 2003,2002

Private Fire Engine, Mescalero, NM

Engine operator responsible for attacking wild land fires, rehabbing burned forests, and calculated time. Dispatched to Encebado Fire, Walker Fire, and local fires in Mescalero area. Part of an initial attack team in Mescalero and performed physical training in mornings.

Summer 2001

KFC, Ruidoso, NM

Prepared meals, operated register and drive thru. Closed and opened restaurant with two other employees. Acted as manager when he was busy or running errands.

Summer 2000

Inn of the Mountain Gods, Mescalero, NM

Maintenance of the buildings and surrounding landscape. Worked with a team of 12 cutting grass, disposing trash, and cleaning buildings.

## Jess Hall

### Experience

2000

4 Bears Casino

New Town, ND

#### Host/Cashier

- Received 4 accommodations for working beyond my duties.
- Seated customers and cashiered.
- Also bussed tables, was a server, helped cater banquets, did concessions for concerts.

1999-2003

Corps of Engineers

Deep Water Recreation, ND

#### Campground Maintenance

- Mowed and cleaned up the recreation area.
- Worked in the summers.

### Education

2003

Parshall High School

Parshall, ND

- Graduated in spring of 2003 with honors.
- Currently attending school at the University of North Dakota majoring in Electrical Engineering.

### Interests

Tribal and government relations, participate in team sports, and learning about new technologies.

*Freshman  
E.E.*

*Interact  
in summer*

**MEREDITH K. YAZZIE**

200 Valencia Dr SE  
Albuquerque, NM 87108  
(505) 280-0883  
mkyazzie@unm.edu

**Objective:** Seeking a position in electrical engineering that includes the opportunity for graduate school.

**Education:** University of New Mexico, Albuquerque, NM.  
Bachelor of Science Electrical Engineering, GPA: 3.15  
Expected graduation: Dec 2003

**Employment:**

- 2003 Sandia National Labs, Albuquerque, NM  
Student Intern  
Electronic Fabrication Department  
Working with SolidWorks, a three dimensional software package.  
May 2002 to present
- 2001 NASA PURSUE Program/Center for High Technology Materials, Albuquerque, NM  
Research Assistant  
Research Title: Quantum Well Intermixing  
Cleanroom responsibilities, including photolithography and wet etching  
September 2001 to May 2002
- NASA Johnson Space Center, Houston, TX  
Student Intern  
Assisted in the testing of antennas using the Global Positioning System and advance navigation techniques.  
May 2001 to July 2001
- 1999 IBM Austin, TX  
Student Intern  
MP System Simulation Tools Division  
Involved in team projects and writing programs for departmental use.
- 1998 Student Intern  
MP System Simulation Department, RS/6000 Division  
Participated in team projects while programming for the department.

**Organizations:**

American Indian Science and Engineering Society (AISES)  
Hispanic Engineering and Science Organization (HESO), Internal Affairs officer

- Mexican American Engineering Society (MAES)
- Society of Hispanic Professional Engineers (SHPE)

Lambda Theta Alpha Latin Sorority, Incorporated, President, Vice President, Chapter Orientation Advisor

**APPLICANT SCREENING INFORMATION**  
(Please Print)

Student Name: MORIDITH K. YAZZIO

Gender: M (F)

College: UNIV. OF NEW MEXICO

Fresh.      Soph.      Jr.      (Sr.)      Masters      Veteran Status

Proposed Graduation Date: Dec 2003      GPA: 3.15

Type of Interest with USACE: (why do you want to work for USACE?):

~~INTERESTED IN THE ARMY~~  
- THINKING ABOUT  
GOING TO GRAD. SCHOOL ... NOT SURE IF IT WILL BE IN E.E.

Personal Communications Skills: WRITTEN!

Geographical Preference: None

Overall Impression/Comments: (Likes/Dislikes)

FRIEND TOLD HER ABOUT THIS CORPS

Would you Recommend?      Definite      Possible      No

Recruiter Name: KIMBERLEY DECHAM
